Internship

Zeno Talent

Jan 2026 – Apr 2026

Data Science Intern (Certificate | [RELIEVING LETTER](#))

Remote

- Applied **Python, data visualization, and machine learning techniques** to analyze real-world datasets, increasing data processing throughput by **25%**
- Developed a **Spend Analysis Project**, optimizing data-driven decision-making and reducing query latency by **30%** across 10,000+ records

Syntecxhub

Mar 2026 – Apr 2026

Java Programming Intern (Certificate)

Remote

- Built and optimized **Java-based applications**, solving real-world programming challenges and reducing execution time by **18%**
- Strengthened **data structures, OOP principles, and problem-solving skills**, building test suites that achieved over **85% code coverage**

National Institute Of Technology Jamshedpur

Jun 2025 – Jul 2025

Research Intern, Biomedical Image Analysis and Computer Vision Lab ([GitHub](#) | [Certificate](#))

Jamshedpur, India

- Implemented **U-Net, Attention ResUNet, SegNet, and KasivSegNet** using TensorFlow and PyTorch, boosting segmentation accuracy by **12%**
- Evaluated model performance using **Dice Coefficient, IoU, and Accuracy**, standardizing metric tracking across **500+ test images**

Skills & Tools

Programming Languages: Python, Java

Programming Concepts: Object-Oriented Programming (OOP), Data Structures & Algorithms (DSA)

Libraries & Frameworks: FastAPI, Jinja2 Templates, Scikit-learn, TensorFlow, NumPy, Pandas, Matplotlib

Machine Learning: Linear Regression, Logistic Regression, Decision Trees, Random Forest, K-Nearest Neighbors (KNN), Support Vector Machine (SVM), Naive Bayes, Gradient Boosting, XGBoost, AdaBoost, CatBoost, Ensemble Learning (Bagging, Boosting, Stacking), Hyperparameter Tuning, Cross Validation

Deep Learning & AI: Large Language Models (LLMs), Retrieval-Augmented Generation (RAG), Convolutional Neural Networks (CNN), Natural Language Processing (NLP)

Data Science: Data Preprocessing, Feature Engineering, K-Means Clustering, Hierarchical Clustering, Principal Component Analysis (PCA)

Databases & Tools: MongoDB, MySQL, Vector Databases (ChromaDB, FAISS), AWS (ECR, EC2), GitLab, Git, GitHub, Jupyter Notebook

PROJECTS

Customer Categorizer Project | [Python, Scikit-learn, TensorFlow, Docker, MongoDB](#) | [GitHub](#)

- Built an end-to-end machine learning pipeline for customer segmentation including data ingestion, validation, transformation, clustering, and classification with **100% reproducible Docker containers**
- Implemented K-Means clustering and Random Forest classification with hyperparameter tuning via GridSearchCV, increasing accuracy by **15%** and reducing database lookup times by **20%** using MongoDB

Student Performance Prediction (MLOps Project) [Git](#), [Docker](#), [AWS](#), [FastAPI](#), [Python](#) | [GitHub](#)

- Developed an end-to-end machine learning pipeline including data preprocessing, feature engineering, model training, and hyperparameter tuning across classification and regression models
- Built and deployed a CI/CD pipeline using GitLab, Docker, and AWS (ECR, EC2) to automate model packaging and REST API serving via FastAPI, cutting deployment cycle times by **40%** and maintaining endpoint latency under **120ms**

Resume Management System | [SQL](#), [Database Design](#), [Query Optimization](#) | [GitHub](#)

- Designed and implemented a Resume Management System database using 3NF normalization, ensuring zero data redundancy across applicant profiles
- Created optimized relational schemas and SQL indexing strategies, achieving a **45% reduction** in query execution times during peak database searches

Certifications

- Decode Java with DSA – PW Skills**
- Data Science with Generative AI – PW Skills**

[View Certificate](#)

[View Certificate](#)

Education

Jalpaiguri Government Engineering College (Autonomous)

2022 – 2026

Bachelor of Technology in Computer Science and Engineering Department; CGPA: 7.83

Jalpaiguri, India

- Secured a General Merit Rank of 2137 among 100,000+ candidates in the West Bengal Joint Entrance Examination (WBJEE).
